

Back to In-Person Worship

Dear Church,

Wow – it feels like we’re slowly getting back into the rhythm of things! Last Sunday (March 7th) we resumed in-person worship with live music! It felt SO GOOD to worship with others. I hope even those of you who joined us online felt the joy of people gathering together!

Now there are a few things I want you to know. Streaming worship went pretty well with our first live service, however it will get better in weeks to come!

First, we are already making audio adjustments to improve the sound of the music.

Second, we mounted the camera for this Sunday (last Sunday it was on a tripod). There might be some shaking on the camera from the vibration of the highway this week, BUT we will remedy this in the week to come (there are always unexpected hurdles – and Ed Miller has already started engineering solutions). Also, we’ll keep wearing masks in worship until health officials say it’s safe not to – so please be sure to continue wearing your mask in the church building.

Third, with Holy Week approaching, we’re also doing our best to create as many options for worship as possible. So please take a good look at the schedule on the side of this page. We will offer two services for Palm Sunday and Easter. Please note: the times are 9 and 11, and the early service is Traditional and the late service is Contemporary. (This is so Arrow can play our 9am service and then make it to their other church they play for at 11. It also gives us an hour in between to appropriately sanitize.)

Lastly, I want to take a moment to thank all of you for “going with the flow.” You have all been so gracious, kind, and flexible. Myself and the Consistory appreciate your patience as we try to plan the best and safest options for our community.

In Christ, Pastor Elizabeth
